

Course Description

This course shows how to deploy the 844GE using Consumer Connect Plus. The course is intended for network operations, technicians, and customer support teams.

Objectives

- Describe the 844GE.
- Describe the role of the 844GE in the network.
- Demonstrate deploying an 844GE in an Active Ethernet environment.
- Demonstrate managing the 844GE.
- Locate help and find additional resources.

Who should attend?

- Customer Support
- Field Technicians
- Network Operations

Prerequisite Training and Skills

- N/A
